The screenshot shows the top navigation bar with links for 'ABOUT US', 'JOBS', '24/7 SUPPORT', and social media icons for LinkedIn, Twitter, Facebook, and YouTube. Below this is a secondary menu with 'Solutions', 'Services', 'Customer references', 'News', 'Events', and a 'Contact us' button with a right-pointing arrow. The main content area features the Kangaroot logo (a yellow kangaroo silhouette) and the text 'Linux & Open Source Solutions'. The main heading is 'Kangaroot for the public sector', with a breadcrumb trail 'Home > Kangaroot for the public sector'. On the left, there is a yellow icon of a classical building with columns, with the text 'Open Source for PUBLIC sector' below it. The main text on the right discusses the Tallinn Declaration in 2017 and the company's goal to unlock open source technology for the public sector. A section titled 'What's in it for you?' lists four bullet points: Enterprise-grade support, No tender process – fast time to market, Very competitive pricing, and Easy to order.

Since the Tallinn Declaration in 2017, open source technologies, communities, and methodologies are becoming more and more important in the public sector.

The Kangaroot services, from advice, to implementation and support, can help you in achieving your new IT challenges.

It is our goal to unlock open source technology and open source innovation for the public sector. We establish this by maintaining a portfolio of public tenders & partnerships.

What's in it for you?

- ◆ Enterprise-grade support
- ◆ No tender process – fast time to market
- ◆ Very competitive pricing
- ◆ Easy to order
